	rocket launchers and special vehicles with rontoons passed through Ferleberg. They came from the direction of Havelberg and vent toward Ludwigslust.
	(3)
e .	a Soviet restricted
	area, containing about 10 houses, was located at the Bayerteich, 50X1-HUI Ferleberg, with the entrance on Franz Grunickstrasse. Two of the buildings housed a Soviet hospital, 2 others quartered of icers'
	dependents and 5 buildings were occupied by uniformed Soviet women. The Soviet komendantura was located in the former FddB building at the
	corner of Breitscheidstrasse and Lindenstrasse in mid-November. 50X1-HUN Soviet PX warehouse was at 5 Thaelmannstrasse. It drew supplies from Lagdeburg. Between 10 October and 15 November 1951, freight space
	for 30 tons of merchandise was required by the PX warehouse, and space for another 10 tons requested. 50X1-HU
	On 14 November, the Artilleric Kaserne on Lindenstrasse was occupied to capacity by troops most of whom wore red-bordered black enablets
	and a few black-bordered black epaulets. Twolve T-34/85 tanks were noticed in the billeting area. On 17 November, 200 unarmed soldiers with red-bordered black epaulets were observed drilling, while two T-34/85 tanks stood in the barracks yard. Notor vehicles seen at
	the installation (1) 50X1-HU
e	On 1 November, 22 T-34/35 tanks including some which were covered with canvas were seen at the Fliegerhorst Laserne west of Forleberg. Small groups of soldiers wearing red-bordered black epaulets were observed in front of the installation which apparently was occupied to capacity. Trucks were identified
	at the Fliegerhorst Laserne. (2) 50X1-HU
	Comments. 50X1-HUN confirm that elements of the 53th Lecz Regt of
)	the 18th Lecz Div in the Artillerie Laserne.
	The vehicle /mentioned in paragraphs 1, 4 and 8 of the present
)	report belong to the 13th Recz Div. According to the 13th Recz Div. the present report, the 50X1-HU
	Fliegerhorst Easorne seems to quarter the Hq 18th Lecz Div; division headquarters units, including the unidentified signal battalion and
	the AAA regiment; and elements of the 53th Necz Regt. 50X1-HUI
	paragraphs 2, 5 and 9 of the present report are assigned to the 18th Mecz Div.
	Probably components of the 13th Fecz Div and headquarters units 50X1-HU
